IN THE GREASE!

By Hal E. Roach.

Keeping house while the wife is away may seem simple , but it's tough on the house. Pa, attempting to act as all around efficiency man is drawn further into the coils when the pet son has been punished by his teacher. The teacher, resenting pa's attitude tells him if he knows so much about teaching to take charge for a day. Between the scholars' pranks and his loss of dignity, Pa is forced to take hasty flight for his life.
